Subject: Human Health Criteria Technical Workgroup Meeting #6

Hello,

You are receiving this email because you have previously demonstrated interest in the Department of Environmental Conservation (DEC) Human Health Criteria (HHC) Technical Workgroup.

DEC has scheduled the next meeting (#6) of the HHC Technical Workgroup for **February 24 2016 from 9am to 11am**. The meeting will be available via teleconference and webinar. The main topic will be Bioaccumulation/Bioconcentration rates and Cancer Risk values in the HHC formula.

Enclosed is a document specific to the bioaccumulation issue and an accounting of Cancer Risk values used by other states.

The final agenda and logistical information needed to log into the meeting will be transmitted to you one week prior to the meeting.

Thank you for your interest and please let me know if you have specific questions or concerns. If you have no interest in further communication on this issue- please let me know.
